Budget Reduction Proposal

Item	SFY 25	SFY 26	SFY 27	Total
One WA Tech Pool Revolving Acct	\$315,000			\$315,000
GFS Savings		\$100,000	\$100,000	\$200,000
				\$515,000

This level of reduction to GFS would not impact direct client services and would allow DSB to continue meeting the federal maintenance of effort requirement so that federal penalties do not occur.
