2017-19 Campus Preservation

Funding will enable general campus preservation projects to maintain facilities at the Washington State School for the Blind. Preservation projects have been compiled from backlog reduction plans, recommendations from the Department of Enterprise Services, and yearly facility inspections. Projects include roof replacement/repair, buildings preservation, painting/finish work and flooring replacement, fire protection/safety upgrades and campus security upgrades.

Independent Living Center

The Washington State School for the Blind will conduct a pre-design evaluation to explore options to house the Living Independently for Today and Tomorrow (LIFTT) specialized training program. The LIFTT program is designed to provide young adults who are blind and visually impaired with the skills necessary to live independently and succeed in higher education and employment. Predesign options will include remodeling a 1972 cottage classroom building or designing a new building at a different location on campus.
