

PROJECT TEAMS AND AGENCY-LEVEL STEERING COMMITTEES

For best results 1) agencies that have a One Washington steering committee are encouraged to create a Microsoft Outlook project team email address and manage list membership on the agency-side [examples can be seen below], 2) agencies will want to communicate broadly within the agency how staff can find their agency-level One Washington contacts, and 3) please send updated contact email addresses to onewa@ofm.wa.gov
